Instructions for Closure of a Miami-Dade County Permit(s)

The following information is needed:

1. _____ A City of Miami Gardens Building permit application must be completely filled out providing address, folio no., owner's information, Contractor and/or Architect/Engineer's information, and on scope of work line item specify that it's for a Miami-Dade County permit closure including permit number, the application must be signed and notarized by owner and contractor. (only when applicable)
2. _____ You must hire a licensed contractor of the same trade and /or Architect/Engineer depending on scope of work.
3. _____ The Contractor and/or Architect/Engineer must provide a letter; the letter must include property address, folio no., Miami-Dade County permit number(s), and property owners' name. The letter must read that the scope of work was completed and certifying that work was done according to the Florida Building Code; the letter must be on the Contractor and/or Architect/Engineer's letterhead including the qualifier's license number and the signature must be notarized.
4. _____ If scope of work was never performed we need a letter from a contractor and/or Architect/Engineer from that particular trade certifying that the scope of work was never done and/or performed; the letter must include property address, folio no., and Miami-Dade County permit number.
5. _____ Owner's signature must be notarized.
6. _____ The fee for **each expired Miami Dade County permit** is \$173.09.

Please contact Building Services at (305) 622-8027 if required any further information. Affidavit sample attached.
